Sending the materials

1) WeTransfer or another similar medium
Upload the materials to WeTransfer/another medium and send them to a JCDecaux contact or to the address digital@jcdecaux.ee 7 calendar days before the campaign

2) Files under 10MB can be sent by e-mail
to the JCDecaux contact

Design rules

• **The digital poster cannot disturb traffic in any way.**

• Digital posters **cannot contain background switches** with a high contrast or gamma ratio.

• All moving elements should be **slow and smooth**, use smooth transition techniques such as

• crossfade or similar.

• Do not add transitions to the beginning and end of the digital poster, JCDecaux adds crossfade between advertisers automatically

• The whole design or its elements cannot be in a constant and fast-moving state.

Sample designs can be found at: www.jcdecaux.ee/digiplakat
